

Wisdom...

the art of skillful living

SUMMER SPEAKING SERIES 2009

Solomon, possibly the wisest man to ever live, tells us that wisdom holds more value than gold. Wisdom rises above mere intelligence or education. The person possessing wisdom lives with skill in a manner that pleases God. By it our lives become rewarding and fulfilling. Without it, our lives simply will not work well. Fortunately, God has promised to give wisdom to all who seek after it diligently. So this summer we will seek after God's wisdom together as we study select passages from the Wisdom Literature of the Bible (Job, Psalms, Proverbs and Ecclesiastes). Please take note of the schedule below. Dates are listed with speaker and topic or passage. To avoid duplicate sermons, please note sermon rotation.

****Saturday Service will follow the Southwood schedule*
(there will be no Saturday service on July 4th)***

Date	Anderson	Southwood & Saturday Night
