

"Samson: A He-Man with a She Weakness" Judges 13-16

His resume is impressive! Killed a lion with his bare hands ... slaughtered thirty Philistines alone ... defeated a thousand-man army with the jawbone of a donkey ... destroyed the city gates of Gaza! But just as Superman was vulnerable to kryptonite, so Samson had a chink in his armor. He was king of the hill when it came to physique and strength, but he was a pawn in the hands of women! God's grace is evident throughout the story of Samson as He overcomes Samson's sin to accomplish His purposes!

Principles from a weak, strong-man
