

"A Man's Holy Response to Life's Derailing Trials"
2 Samuel 4:5; 9:1-13

- I. Be ready for personal trials because they will come**
- II. Be patient in the waiting because it is necessary**
- III. Be anticipating the good outcome because it is unimaginable**

For reflection and discussion:

1. What is/has "happened" in your life that God may be using to draw you closer to Himself?
2. In what ways have you enjoyed a seat "at the kings table" as a result?
