

"A Man's Holy Keys for 'Super Bowl' Living"
Hebrews 4:14-16; 10:19-25

I. Let's get back to the huddle

"draw near" vs 22

II. Let's buckle up our chin straps

"hold fast" vs 23

III. Let's all make great plays together

"stimulate one another" vss 24, 25

For reflection and discussion:

1. What or who tends to keep me from drawing nearer to the Lord?
2. Consider a few of your closest buddies for a minute... what "great plays" have you seen them make or are aware they have made and how could you encourage them to make even more "as you see the day drawing near"?
