

## Life's Highest Priority Philippians 1:1-2

Paul wrote the book of Philippians to encourage the church to be faithful to the Gospel. As Christians, our highest priority in life is to partner with God's Spirit to share the Gospel and to make disciples of all nations.

- The Gospel supersedes our personal desires (1:12-18; 2:3-5).
- The Gospel destroys our self-righteousness (3:7-11).
- The Gospel promises us heavenly citizenship (3:20-21).

What do you value more than anything else?
