

The Power of Gospel Partnership Philippians 1:3-11

Paul begins his letter by expressing his confidence that God is working in and through the Philippian believers. His words remind us that true power and impact come from partnering with God and others to invest in the Gospel.

Participation in the Gospel leads to:

- True Unity (3-5, 7-8).
- True Impact (6).
- True Wisdom (9-10a).
- True Righteousness (10b-11).
