

## “Confession and Forgiveness of Sin” Psalm 32

Although it is true that those who have believed in Christ are righteous in God’s eyes, we still sin and as a result we need to confess in order to restore the fellowship that we have with our maker. It is important to confess quickly knowing that when we do God forgives the guilt of our sin, and he who is forgiven is blessed.

### **I. Unconfessed Sin**

- Keeping silent will bring about suffering (Vs. 3-4)
- Don’t make God drag you into confession (Vs. 9)

### **II. Confession**

- Put it all on the table (Vs. 5a)
- God forgives it all (Vs. 5b)

“If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse of from all unrighteousness.”  
—1John 1:9

- Confess your sin to the Lord immediately (V 6a)

### **III. Restoration and Blessings**

- God protects and cares for you when you confess (Vs. 6b-7, 10b)
- Respond in worship (V 11)
- You are blessed when you are forgiven (Vs. 1-2)
