

“Why Do I LOVE the Psalms?”

The Psalms teach us the Heart of God and the Heart of Humanity. We learn who God is and who we are!

The Psalms give us the ...

1. Heart of God

Who is He? We are taught that we must know God. HOW? The ONLY way to know Him is to know through His Word!

As E. Elliot used to say “But what does it say about God?”

2. Heart of Humanity

Who am I? I am who God says I am, not the world? I struggle, I weep, I dance for joy, I fear. Psalm 139 is me! Psalm 51 is my tool for repentance!

Many of you know our goals going in:

- Refreshment in His Word
- Learning Something about God
- Learning Something about Yourself

My Prayer

Worship: I bring a sacrifice of praise/ another sacrifice...myself! Change me to hear you! Help me believe and may our faith be tuned to His Song.
