

"Make Each Day Count" Psalm 90

Teach me, Lord, to make this day count for eternity. Give me a heart of wisdom so I know Your perspective on the situations I'll face today. Help me to keep Your priorities. Accomplish your ends through me. Satisfy me with your wondrous love and grace, so that regardless of the circumstances that I am living, I can sing for joy because my satisfaction is from Your grace and love. Lord, today make the works of my hands count for eternity.

1. God is eternal; Our lives are fragile and fleeting (v1-6)

- We have a hard time realizing our lives are short
- We live as if we have all the time in the world

2. Teach us to count our days, so our days may count for eternity (v12)

- God's priorities

3. True joy comes from being filled with God's wondrous love and grace (v14)

- The only thing that can satisfy us

4. Make the works of my hands have an eternal impact (v16-17)

- Ephesians 2:8-9
- The things He has given us to do will have an eternal impact
- The simple things we do can have an eternal impact.
